

## **Energy Forum, IIT Madras Presents ...**

*In Celebration of the **Centenary of the Discovery of the Atomic Nucleus**  
by **Ernest Rutherford, the Nobel Laureate***

### ***A Colloquium on COLD FUSION***

#### **PROGRAM**

**16.30 - 17.30 Lecture Entitled Cold Fusion : An Emerging Energy Technology ?**

**By Prof. David Nagel**

Low Energy Nuclear Reaction Laboratory, George Washington University, Washington DC, USA

**17.30 - 18.00 Open Discussion on Cold Fusion : Future Prospects**

**Moderated by Dr. Michael Melich**

*With active participation by the following accomplished researchers in COLD FUSION*

**Dr. Michael McKubre**, Energy Research at SRI International, Menlo Park, CA, USA

**Dr. Edmund Storms**, Kiva Labs, Santa Fe, NM, USA

**Prof. David Nagel**, George Washington University, Washington DC, USA

**Prof. Akito Takahashi**, Retired, Nuclear Engineering Dept, Osaka University, Osaka, JAPAN

**Dr. M. Srinivasan**, formerly at Physics Division, BARC, Mumbai, INDIA

*Date : Feb. 09, 2011*

**Venue: IC & SR Auditorium**

***Tea at 16.15 pm***

To get warmed up on COLD FUSION, please visit the following websites
