Mr. Darden and Mr. Vaughn,

I've not received any response from either of you regarding my media inquiry on Monday. Kindly get back to me by 5 p.m. Pacific on Friday if you'd like me to include your response in my forthcoming news story.

Thank you

Mr. Darden or Mr. Vaughn,

1. Is Industrial Heat still in partnership with Andrea Rossi?
2. If not, when did that partnership end?
3. If not, do any of your companies have pending litigation against Rossi?
4. If not, does anyone connected with Industrial Heat or your other companies have pending litigation against Rossi?

Thank you
