

EUROPEAN COMMISSION
Office of the President Mr Jean-Claude Juncker

Senior Political Adviser

Brussels, **01 MARS 2018**

Ares (2018) 1039280

Dear Mr Krivit,

President Juncker would like to thank you for your e-mail of 23 February 2018 sharing with him your concerns about information disseminated regarding what the ITER reactor is designed to do.

We have taken note of its content with attention.

The Vice-President responsible for Energy Union, Mr Maroš Šefčovič (e-mail: maros.shefcovic@ec.europa.eu) is looking into the points you have raised and will respond to you rapidly.

Yours sincerely,

Telmo Baltazar
