

Dear Ms Adams:

June 16, 2008

You might find it useful to have an independent set of [Purdue] financial statements regarding the acoustic fusion project where I was PI. To that end you are referred to the enclosed material.

For a Professor I think that this is good record keeping.
For a CPA I might not make the grade.

Best regards
Seth J. Putterman

A handwritten signature in black ink, appearing to read "Seth Putterman", with a long horizontal flourish extending to the right.
