I know you like red but couldn't you get blue expansion vessels to contain all the hot air?

(cwatters)

(Angus)

I had the best test... but the dog ate my homework!

(maryyugo)

"I'll wager one snake against your clown that my E-cat works."

(Angus)

Hngrrr!

(aber0der)

You have failed me the last time, snake.

(aber0der)

Why did it stop when I disconnected the generator?

(cwatters)

Well, did you bring the condenser? We've got the Gin Still working!

(cwatters)

I place my hands like so and the healing energy flows down my arms....
